

# Covid-19 Activity Implementation Plan

This Covid-19 Activity Implementation Plan forms the basis of the control measures identified in the Covid-19 Risk Assessment and Covid-19 Activity Risk Assessment.

Anyone planning on attending our karate training sessions should review this document carefully and adhere to all the measures contained within this plan.

Should you be uncertain of any of these measures, or have queries regarding them, please be sure to contact you club instructor in advance of attending.

<b>Plan Edition Date:</b>
